A huge thank you to Julie Ann and Jeff Holt for taking care of preparing the offices in the rectory for being painted. It was a tough messy job, very heavy desks, etc. and then putting it all back when the paint was dry!! It is appreciated to have Julie Ann take the lead on jobs like this, and Jeff for helping her out.

Thank you to Bob and Len Thompson for donating the painting of our offices, this is Bobs 'giving back' to the community and the paint job looks great. We appreciate his contribution!! Please thank Bob when you see him.

March 17-23 is National Poison Prevention Week. The national Poison Center Phone number is 1-800-222-1222. Program your cell phone with this number. We think children get poisoned more often but most people who die from poisons are adults. To prevent accidental poisoning keep products out of the reach of children. Grandparents as caregivers sometimes need a reminder. Calling the Poison Control Center number with the name of the product, age of the patient, and amount of poison involved will help you get prompt, accurate treatment information. **The Welcome Place** has stickers/brochures available to anyone who might need them. They are open Tuesdays, Thursdays, and Fridays or call 218-863-2260.

Reminder: if you have the OK to make purchases for St Leonards (from Father, Deacon Joe, or a council member) please be sure to let me know. A text, email, or call is highly appreciated and saves research time.

Pray for St Patrick, patron Saint of Ireland
